Q23 - What are the most important things you learned in this course?

Response Rate: 77.78% (7 of 9)

- Web page design basics
- I learned how to work with different soft wares and services as well as how to create an effective website.
- I learned how to create a well put together website.
- The fundamentals of webpage design.
- It was a very helpful class in showing me all that is needed to do to make a successful website
- I learned how to build a website using several different programs.
- Different ways to create a web page

Q24 - How will you use the knowledge you gained in future classes and/or in your chosen profession?

Response Rate: 44.44% (4 of 9)

- I will use it future classes and in my career
- I feel that learning about different soft wares and services will make me more eligible when pursuing my marketing career.
- I can use this in my profession because I will be running my family's business and this class gave me the tools I need to help with web page design.
- create web sites and blogs

Q25 - Explain any positive changes you would like to see made to this course.

Response Rate: 55.56% (5 of 9)

- none
- The tests were nearly impossible. There wasn't enough time to take them and the answer options on the test did not reflect the information in the book.
 I would like to see assignments opened earlier than a week by week basis. Working two jobs and being a full time student can make it difficult to juggle assignments and having the opportunity to work ahead would be very beneficial.
 *Especially on the projects since they tend to be more time consuming.
- None
- I would like for the professor to provide notes or a PowerPoint for each chapter, this would really help when studying for the exam as well completing assignments.

Q26 - Comment specifically on the value of texts, class materials, assignments, and class activities.

Response Rate: 66.67% (6 of 9)

- everything is relevant to the assignments and needed for coursework
- The test is much different from the book
- Good
- The assignments gave me a better understanding of what the book covered.
- The textbook is a great choice and was very helpful.
- I would make everything due on Saturday not just the response

Q27 - Comment on the evaluation methods utilized—fairness, difficulty, ease, etc.

Response Rate: 66.67% (6 of 9)

- fair
- The test was nearly impossible
- Difficult but good
- Fair & Difficult
- Evaluation methods were difficult but fair.
- graded fair

Q28 - Comment on the instructor's overall effectiveness as a teacher in his/her discipline.

Response Rate: 44.44% (4 of 9)

- great teacher, knows about the subject, helpful and reasonable
Very good teacher. Feedback was always very helpful.
- I was a little disappointed that we didn't get individual feedback on our blogs, I would've liked to have a more specific feedback on how to improve our individual sites.
- He always gave feedback, and told you ways of how you could improve your grade for the next assignment.
- He is very knowledgeable in the field of web page design and made the class challenging which helped me learn a lot.
